The tallest on mainland Australia!

The historic Cape Leeuwin Lighthouse is situated at the most south westerly tip of Australia where the Indian and Southern Oceans meet. The lighthouse tower, built in 1896, stands 56 metres above sea level and is mainland Australia's tallest lighthouse. Today the lighthouse still guards one of the world's busiest shipping lanes. Cape Leeuwin is a spectacular scenic destination and is ideal for whale watching from May to September. The Lighthouse Café offers some of the most extraordinary views in the region. Located 10 minutes drive south of Augusta on Leeuwin Road.

Wine Showroom

Margaret River is renowned for its world-famous, award-winning wines that grace tables around the globe. There is no better place to start your journey of discovering the region's 120-plus wineries than at the Margaret River Visitor Centre's Wine Showroom. Featuring sensory displays, wine paraphernalia and regular tastings the Wine Showroom is both fun and educational.

While some would say that wine is the star of the show in Margaret River, the region's incredible diversity is its strength. Be sure to venture away from the cellar doors too, with breweries, galleries, food experiences, history, animal encounters, forests, trails, major events and beaches to be explored!
