WELCOME TO THE SWAN VALLEY

Just 25 minutes from the bustling Perth city centre, the ever burgeoning Swan Valley is home to a growing list of chefs, winemakers, brewers, chocolatiers, honey and nougat producers.

The picturesque region is packed with fresh seasonal produce, with countless restaurants and cafes offering everything from fine dining to salt-of-the earth pub grub, to traditional high tea. The Valley also offers a bursting list of artisan wares, from extra virgin olive oils, specialty cheese, marinated olives, tapenades, dried fruits, pickles and preserves to handmade chocolate, fudge, truffles, nuts and nougat.

What's more, the close knit restaurateur community here has a firm commitment to higher welfare farming practices, with the region crowned Australia's first Humane Food Region by the RSPCA in 2014.

Entwined in the Valley 2015 is a celebration of the Swan Valley ethos – the fresh, the fun, the fair and the fabulous.

A long weekend of wine, beer, food, art, entertainment, fashion and culture held over three fun-filled days, Entwined in the Valley will feature pop up street markets, comedy shows, art, sundowners, specialty food evening and the weekend's premier Humane Food event, **Entwined in the Valley degustation dinner.**

This year famed award-winning chef Matt Moran will head up the evening of epicurean excellence, joined by talented WA chefs Kiren Mainwaring from Co-Op Dining and Hadleigh Troy of Restaurant Amusé. Swan Valley award winning wines will be delicately matched to the seven courses and presented to the audience throughout the evening by Ray Jordan. The evening will be MC'd by charismatic TV personality Anna Gare.
