

3 Small Wineries Poker Run

Saturday 12th March and Sunday 13th March 11.00am – 4.00pm

Put on your best Poker Face and join us for an authentic North American Poker Run. 3 Small Wineries (Ugly Duckling Wines, Tyler's Vineyard and Entopia Wines) invite you to explore Swan Valley's boutique wineries while trying your luck at gathering the best poker hand in the Valley. In less than 3 hours you can visit these 3 unique family owned and operated wineries and sample small batch boutique wines as you talk to the vineyard owners and assemble your best poker hand.

Starting a small winery can be a gamble, but for these 3 wineries, the cards were in their favour as they are now producing wonderful wines, including specialties such as Verdelho Fortified, non irrigated old growth Grenache and Liqueur Shiraz, along with a variety of Whites, Reds, Roses and Sparkling.

Begin your Poker Run at Ugly Duckling Wines, then Tyler's Vineyard and end at Entopia Wines. At each of the 3 wineries, choose your favourite wines from the tasting and for every bottle purchased, you will receive a poker card (Max. 2 cards per winery). Build your best poker hand and submit. At the conclusion of the weekend all poker hands will be ranked by American Poker rules to win great prizes. Winning will depend on the luck of the cards. Just handing only 1 card in will put you in the running for prizes.

So bring lady luck to the Swan Valley on the Vintage in the Valley weekend.
